

Appl. No. 10/577, 808  
Amdt. Dated February 18, 2005  
Reply to Office Action of January 19, 2005

### REMARKS/ARGUMENTS

This amendment is responsive to the Office action mailed on January 19, 2005. In the subject Office Action, claim 3 was objected to due to certain informalities. Claims 1-19 were deemed allowable.

In this amendment, claim 3 has been amended to delete the reference numeral 52. Similarly, claim 5 has been amended to delete the reference numeral 64. The Applicant regrets these typographical errors and respectfully requests the withdrawal of the claim objections.

The Applicant gratefully acknowledges the allowance of claims 1-19. However, while the Applicant believes that the claims of the present application are allowable, the Applicant does not acquiesce that the claims are only allowable for the precise reasons stated by the Examiner. Additionally, the Applicant does not agree that each feature exactly as expressed in the claims is necessarily required for patentability.

#### Summary

In view of the foregoing, the Applicant respectfully submits that the application is in condition for allowance. Favorable reconsideration and prompt allowance of the application are respectfully requested.

Should the Examiner believe that anything further is needed to facilitate allowance of the application, the Examiner is requested to contact the Applicant's undersigned representative at the telephone number below.

Respectfully submitted,
